Dear Friends, supporters and intercessors,

Thank you for all you do for GNFN. God has been faithfully supplying needs, teams, ministry opportunities that are bringing glory to God and fulfilling His purposes for which I praise His Name! Please be encouraged as you are giving and praying that God is at work and you are part of what God is doing. It is my desire that all of God's people are involved in some way with the Great Commission. Each part is so vitally needed for His will to be accomplished.

### **MOHAWK FIRST NATIONS, CANADA**

July 18th, our team of 4 left Winsor, Canada for Deseronto traveling seven hours. While there, we ministered to children at a VBS and also had wonderful times ministering at the church. Many were filled with the Holy Spirit, flag ministry was introduced and dance ministry; both of which the Lord gave us favor with great anointing. Working with David and Erica Bobeer was a wonderful experience. The Holy Spirit fell mightily in the church with Holy laughter bringing a refreshing to many of us. A merry heart doeth good like a medicine. We made wonderful relationships which is a beginning of ongoing ministry. Faye Merkestyne, Steve Beecroft and Shannon Hall, all from Canada, joined me on this team.

### **ONEIDA FIRST NATIONS, CANADA**

The Oneida Nation near London, Ontario. (July 27-29) was a trip that followed the week after the Mohawk trip. Much prophetic was released as the team received dreams, visions and prophetic words during the time we were there ministering with Pastor Larry Ireland.

We ministered to the women, pastors and leaders and also had ministry to children. We were blessed that the people were ministered to and encouraged. Some of the children were saved, recommitted and were filled with the Holy Spirit. Some of the women were instantly healed after generational curses were broken. The pastors were very encouraged. We did not have large numbers but we believe a great work was done. Sunday service was filled and most came to receive a touch of the river of God that was flowing. The team did a wonderful job and we had a great time of unity. It was a first for me to have an entire family of six within a team of 13 or so. Jamie Paton and his youth band came out and joined us for two nights. Our team consisted of Bonnie Dekold, myself, Randy and Susan Clark and their family; Ben, Felicity, Jocelyn, Jessica, Beth Pears, David Ellyatt, Jay Harris, Joelle and Jason McLean, and John Voisine. We had a great time and ministry to this church will be ongoing as well.

 mountains.

## MICHIGAN AND GOLD FRIENDS

If was great to see friends that I have missed in Michigan as I ministered with pastors Joe and Joanne Glover in July. It was a beautiful service and I really appreciate the tender hearts of pastor Joe and his people. These are Gold friends as they are tested and proven over time. I was able to see missionary friends from Estonia on the way home. I had a God incidence on the drive up. I was hoping I could stop in Holland and visit and take a break and lo and behold, while I was packing the phone rang and a pastor I work with in Ghana called. Where was he? In Holland MI and we had a chance to meet together and visit for a short while and then I proceeded on my way. (I ministered in his church while I was in Ghana in June)

## GETTING READY TO LEAVE FOR UGANDA, RWANDA, BURUNDI

Time is fleeting. Soon will be on African soil again but this time in East Africa. A team of 3 will be going with me: Sylvia McDaniels, Cathy Koshman, and Jim Harrison. (From USA, Canada and Estonia, respectively) Dates are Sept 27th to Oct 12 or 13 for the team in Uganda. Cathy will stay an additional week. I will go on to Rwanda and Burundi with two missionaries from Uganda and be back on Nov 13. Please keep this extended trip in your prayers and if you would like an itinerary, I will get one into your hands. We will be doing 3 week long pastor/leaders conferences.

## INDIA IN JANUARY

I love India. If you ever go there, you will too. Beautiful people! I get to go for several weeks. Sylvia and I are teaching at COTR Seminary for a week, after which an extended team will join us to minister in other places. (Jan 18-Feb 1st) We will be going up into the mountains to minister with tribal people who are very hungry for the gospel. We are looking forward to the time in beautiful India.

## Wisconsin in September 2007

Will be in Wisconsin for a short trip to see family in Sept. If you are in WI and want to get together let me know. I will be setting up a schedule on the way to WI to see friends and minister in churches as the Lord leads. Look forward to seeing a new baby in the family, sons, and many friends and relatives.
