Dear friends,

Merry Christmas and Happy New Year.

Praise the Lord for another successful, spirit-anointed, power & word releasing trip with a great team that was ready for spiritual battle in Bungoma, Kenya.

I just returned after one month in Kenya w/ Joan Melrose, a missionary in Kenya for 16 yr. Thank you intercessors for backing us in prayer.

Our preaching team; Janet McGee and Georgianna D. were out every day releasing timely messages and the prophetic word everywhere they went. Teaching team; Wendy Crevier, Donna Auerbach and myself released teaching on worship and warfare, Holiness, Dreams, Visions and Interpretation, and Relationships. The teachings were great and followed by lots of testimonies of life changes.

After the team left, I spent another week in Bungoma, continuing to teach at CLT Bible School, then spent a week in Uganda with Judith Buehler. She introduced me to wonderful leaders and apostles. I taught that week on "Hearing the Voice of God" After prayer, we set up dates in August 28 to Sept 10, 2006 to return w/ a team.

They are very hungry for the Word of God. I am praying about doing a week of special training in Rwanda at that same time.

**Thank you for all you do for the Lord and for me!**

Love you, Janet
