

# Good News For the Nations

DEC 2004

My dear friends and family,

God bless you this Christmas and holiday season! God is so good and so faithful! Who else gives us a promise that all things work together for good as we love Him and do what we are called to do. What a wonderful promise! For all of us who are serving God, no matter what happens it will be used of the Lord for good!

## HEAVEN, OUR FUTURE HOME

The other morning I began thinking of what a awesome God we have who sets before us heaven, a place to look forward to that is more beautiful than any vacation spot we have ever seen. And once we arrive, we don't have

to "go back to work in 1-2 weeks." It is for eternity we have this glorious place with fellowship with all the people we love and all the saints from the beginning of time. Glory to God! I look forward to being there with Him. I look forward to meeting Adam and Eve, David, Ruth, Esther, Peter, Paul and all the saints of old. And people like Corrie Ten Boom, and the people I admire in my own lifetime. I look forward to seeing my Dad, aunts and uncles, friends and all those who have gone before. Plus I have a child that died before birth that I am looking forward to meeting.

Until then, I hope to plunder hell and populate heaven with all who will come to Him.

This has been a foundational year for Good News for the Nations (GNFN) : establishing foundations to prepare for the increased ministry to come. If you have a desire to join with me to be God's influence in the nations, please pray about what part He wants you to play.

It's exciting to see hundreds receive Christ, hundreds filled with the Holy Spirit, healed, delivered, and never the same because of Jesus. He is wonderful to work with and serve.

These things are happening because of the prayers and giving

that you; God's people have done. I am so thankful for all who have been obedient to the Lord. Thank you to those who have linked with GNFN to do the things we have done.

## MEXICO, GHANA, KENYA

2005 has so much in store: Trips to Mexico x 2, China, Ghana, and Kenya. A trip to Jamaica as a revisitiation to see the fruit of ministry over 10 years ago and to see what God will open for future work. The Lord is also establishing ministry connections and new opportunities in other countries as Scotland, India,

## CAN YOU PUT UP A HOUSE?

The Lord is prompting me to raise up work teams to go into areas where churches and other structures need construction work. Do you have an interest and skills in doing this? If so, please contact me.

## ARE YOU READY?

I want to see all teams going to the nations to be excellent experiences, that will call forth in people the part they are to play in the great commission. Therefore I am asking for as many as possible that have in their heart to go on a mission trip, to attend a Mission Training Intensive. (3 days) So far I have 3 set up: Two in Indiana and two in Ohio and am working on others.

If you are a pastor or ministry leader and are seeing an interest in missions and a need for training of your people, GNFN is very willing to come and help train them in missions and also give opportunity for a trip so they can apply what is being taught.

## GHANA, WEST AFRICA

AUGUST 22-SEPT 5, 2005

Other ministries will join us in going to Ghana and it will be a powerful impacting time. The Lord has given us many prophetic words about what will be accomplished in Ghana.

## Personal note;

The Lord has been teaching me more about grace. He is filled with grace. Our salvation comes through

Guatemala. I look forward to all of these.

his grace. We say grace is unmerited favor: **God's Riches At Christ's Expense.**

The Lord has been teaching me other characteristics (aspects) of grace. Grace is the absence of judgment and criticism. It is a necessary ingredient for unity and elimination of all prejudices. Grace is a necessary Godly ability to walk in love in the midst of great differences. When we are called to love the unlovable, sick, incarcerated, those of another culture or race, or even someone that is very different from us, we need grace; God's grace.

He also has been teaching and showing me more and more that I need Him for everything. He must be living through me in all circumstances and in all I do.

*Galations 2: 20 says, "I am crucified with Christ: nevertheless I live; yet not I, but Christ liveth in me and the life which I now live in the flesh I live by the faith of the Son of God, who loved me, and gave himself for me.*

He is teaching me how to "step aside" and let Him live through me in even the very small things. More and more I believe He is taking his people to that place that is spoken of in Song of Solomon. Who is this, coming out of the wilderness, leaning on her

## Family Notes:

My two sons, James and Paul are at this time spending time in Europe. Business and pleasure.

Paul is a partner in a business in Madison WI that creates Computer games.

James is now working in the Real Estate field and travels all over the world. He lives in San Diego California. His travel is not related to his job. He is getting to see the world through backpacking.

beloved. That's where all the victory and success is.  
**GOD RICHLY BLESS YOU THIS NEXT YEAR!**

Love and appreciate you,  
Janet

**Thank you to the many individuals and churches which support GNFN. In prayer, finances, and gifts. Many, many, thanks!**
