# Good News For the Nations

● MAY 2006

Dear friends,

This has been already been an exciting year. The Lord has opened many new doors in churches and organizations to speak and teach on missions.

One of these churches is in Steger IL with old friends Jim and Helen Slow who I had not seen for 20 years.

Transition is never easy and it has been two years transitioning from being missions director at White Horse Christian Center to back fully in the ministry of Good News for the Nations. The Lord has given me new vision to bring training for harvest into churches and call forth those that are ready to obey Him.

Churches in Chicago, IL, Waukeasha & Milwaukee, WI, & Canada, have invited me to teach on preparing for the harvest. A special dream of

teaching at International School of Ministry (ISOM) in Arkansas was fulfilled in March. A wonderful experience! I was mentored and trained in this school from 1989 under Gwen Shaw. Now I was able to teach in the same school. What a privilege! Thank you Gwen, Marylois & Tandie.

I can never say thank you enough for all who support the ministry of Good News for the Nations, and those who pray for me. Prayer means everything to me and the work of the ministry! Thank you!

*Love, Janet*

## GHANA

Looking ahead, I will be going on a 3 1/2 week trip to Ghana from June 27 to July 21st. We will be ministering in 3 places: The Liberian Refugee Camp; Accra, 3 day pastor's conference; Doorma, and working with a Spirit-filled Lutheran pastor in Adidome, to help him get more of his people filled with the Holy Spirit. Each preaching station he has (14) has had only one Bible for the whole church and it was not a study Bible. 14 Thompson Chain Reference Bibles have been donated for his leaders by Shalom Ministries. Thank you to all who gave for this vital need. Diane Wenzel will go with me

## UGANDA / RWANDA

Aug 25 to Sept 22 in East Africa 7 of us will do two 6-day Leader conferences and work with youth and university students. The team will join me from WA, OH, WI, & South Africa. The third week we will go to Rwanda to minister to leaders and youth there as well.

## MEXICO

October 16-22 I will take a team to Mexico to the ministry of Ruth & Victor Martinez. We will minister in churches, conferences, children's ministry and Bible School Ministry. If you are looking for the first trip to get started, this is a great trip to do it. Call or email for flyer

## INDIA

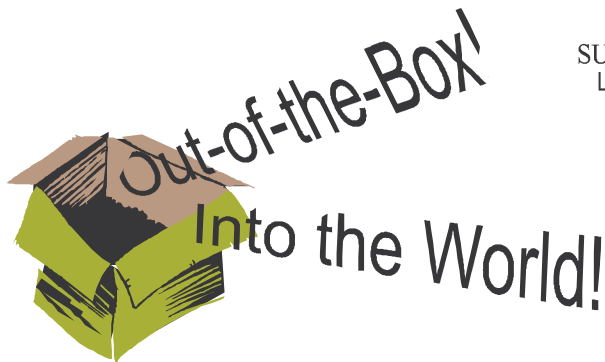

A remarkable event is going to take place Nov 10-21, 2006. India is going to be impacted with the Love of Jesus. Vision birthed in the heart of Ruth Martinez for India includes 100 teams to 100 cities with a million intercessors covering this in prayer. I am responsible for 5 teams. If this is something that God has challenged you in your heart, please let me know. I will send a flyer and you can be in prayer about going, being a team leader, or covering in prayer. This is a special time for India. God has India on His heart and in His special plan this year. Benny Hinn will visit this year, Reinhardt Bonkke, and Rodney Howard Brown will be visiting India this year also. God is up to something big in India.

**TESTIMONIES FROM INTERNATIONAL SCHOOL OF MINISTRY, (ISOM) JASPER ARK**

I came home so madly in love with Jesus. School was more than wonderful. Judy

You were a blessing to me .... I will never forget those films that you shared with us. I am open to my Lord and wherever or whatever He wants of me. Kathryn

Your class was the main reason why God had me go to ISOM this time... I really firmed up a call to go to the nations.

"Ask of me and I will give you the nations for your inheritance". I've asked and await. Cathy

**Family Notes:**

I will be visiting my son James in Calif. this next week. I am glad to be able to go for a few days.

I have prayed for more ministry in WI and God has honored my prayer. I wanted to get to see my Mom (who is 83 and widowed) more often but due to the busy schedule, I have not made it to Gillett...SOON!

I have gotten to see friends in Milwaukee and to see my other son, Paul in Madison. He is doing well.

..last June our group of college-age individuals and your group met in El Carmen, Mexico.. you were speaking and you asked everyone to pray in tongues and ask for a word from the Lord. I have to tell you, that at this time

in my life, I had many reservations about speaking in tongues...I had (been) taught incorrectly about spiritual gifts. Honestly, speaking in tongues freaked me out.I thought it was wrong. That one night's experience still made me wonder... The Holy Spirit worked on and kneaded on my heart for two weeks, and I am so happy to say that on December 17th, I was baptized in the Holy Spirit and have never been the same. I wanted to thank you for the seed you planted in my heart. Alexandra

**WRITING**

I am probably about one half done with writing my book. It is more and more difficult to get at it so pray I get a secluded time or office help that would give me time to do it. All in the Lord's timing.

**TO THE NATIONS SCHOOLS**

Schools are being added to the calendar on a regular basis. Please keep these in your prayers. I have four schools pending at this time. Waupun, Des Moines, and two in Chicago.

**NEEDS: Used is okay.**

Windows XP, Adobe Acrobat 6 or higher, Office help. For Ghana: laptop, cassette player, camera, video camera. Thanks!
